## **Dove il colore è un'emozione che sboccia**

C'è chi sogna una fuga in campagna... e poi c'è chi la porta direttamente in salotto. Blooming Garden è una collezione che sboccia sulle pareti con leggerezza e poesia, mescolando bouquet romantici, fiorellini vivaci, tartan coccolosi e paesaggi incantati, il tutto con il tocco unico di Cristiana Masi, che trasforma ogni decoro in una piccola opera d'arte.

Romantica sì, ma con brio. Raffinata, ma piena di colore.

Una collezione che non si prende troppo sul serio, ma prende molto sul serio il tuo spazio. Fresca, sognante e un po' fatata: come una passeggiata in un giardino segreto, dove il tempo rallenta e la bellezza sboccia.

## **Where color blossoms into emotion**

Some dream of escaping to the countryside. Others bring it straight into their living room. Blooming Garden is a collection that blooms gently on the walls, with lightness and poetry. Romantic bouquets, playful little flowers, cozy tartans and enchanting landscapes, all brought to life by the unique touch of Cristiana Masi, who turns every design into a small work of art.

Romantic yes, but with a spark. Refined, yet full of color.

A collection that doesn't take itself too seriously, but takes your space very seriously. Fresh, dreamy, and a little magical: like a walk through a secret garden, where time slows down and beauty comes into bloom.
